

Cheam Methodist Church Policy for Safeguarding Children and Vulnerable Adults

**Cheam Methodist Church
Church Hill Road
North Cheam SM3 8LJ**

www.cheammethodistchurch.org.uk

This policy was agreed at a Church Council meeting held on 19 February 2014
The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation of male and female in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Cheam Methodist Church is committed to the safeguarding and protection of all children, young people and vulnerable adults and affirms that the needs of children or of people when they are vulnerable are paramount.

Cheam Methodist Church recognises that we are all vulnerable, but that there is a particular care for those whose vulnerability is increased by situations, by disabilities or by reduction in capacities. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

Cheam Methodist Church fully agrees with the Connexional statement reiterated in *Creating Safer Space 2007*:

As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.

Cheam Methodist Church recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual or institutional abuse or neglect. It acknowledges the effects these may have on people and their development including their spiritual

and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.

Cheam Methodist Church commits itself to respond without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.

Cheam Methodist Church commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation and guidance and safe practice in the circuit and in the churches.

Cheam Methodist Church commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Cheam Methodist Church affirms and gives thanks for the work of those who are workers with children and vulnerable adults and acknowledges the shared responsibility of all of us for safeguarding vulnerable adults who are on our premises.

Cheam Methodist Church respects and values the rich diversity of all its members, users of its church facilities and its local community. Fundamental to this safeguarding policy is the principle of treating everyone with respect and dignity, and ensuring that equal opportunity is offered to all.

Cheam Methodist Church appoints Tony Brett Young as Church Safeguarding Adults Representative and Church Safeguarding Children Coordinator and supports him in his role which is to:

- i) support and advise the minister and the stewards in fulfilling their roles
- ii) provide a point of reference to advise on safeguarding issues
- iii) liaise with Circuit and District Safeguarding Coordinators
- iv) promote safeguarding best practice within the local church with the support of circuit ministers.

a) Purpose

The purposes of this safeguarding policy are to ensure procedures are in place and people are clear about roles and responsibilities for vulnerable adults in our care and using our premises. It is to be read in conjunction with the Methodist Safeguarding Handbook (2010).

b) Good Practice

We believe good practice means that:

- i) All people are treated with respect and dignity.
- ii) Those who act on behalf of the Church should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written note of this will be made and kept noting date, time and place of visit.
- iii) The church premises will be assessed for safety for children and vulnerable adults and the risk assessment report will be given annually to the Church Council in written form. This will include fire safety procedures. The Church Council will consider the extent to which the premises and equipment are suitable or should be made more suitable.
- iv) Any church-organised transport of children or vulnerable adults will be checked to ensure the vehicle is suitable and insured and that the driver and escort are appropriate.
- v) Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Church Council will actively consider the extent to which it is succeeding in this area.

These things are to safeguard those working with children, young people and those adults who may be vulnerable.

c) Appointment and training of workers

Workers will be appointed after a satisfactory Disclosure and Barring Service (DBS or formerly CRB) checks. Each worker will be expected to undergo basic safeguarding training, within the first year of appointment. The other training needs of each worker will be considered (e.g. food hygiene, first aid, lifting and handling, etc.) and each worker will have an annual review conducted by a named member of the Church Council and another worker within the organisation.

d) Pastoral visitors

In terms of safeguarding, Pastoral Visitors will be supported in their role with the provision of basic safeguarding training upon appointment.

e) Guidelines for working with children, young people and vulnerable adults

A leaflet will be produced and reviewed annually to be given to each worker with vulnerable adults outlining good practice and systems. The leaflet will be reviewed annually with this policy [Church Councils may produce their own material or use appropriate Connexional leaflets].¹

f) Ecumenical events

Where ecumenical events happen on church premises, safeguarding is the responsibility of this Church Council.

g) Events with church groups off the premises

Adequate staffing will be ensured for such events. Notification of the event will be given to Tony Brett Young

h) Other groups on church premises

Where the building is hired for outside use, the person signing the letting agreement [which should include Safeguarding Form E]² will be given a copy of this policy and the leaflet. The lettings secretary will consider the various users of the building in making lettings³

1 These have yet to be produced for vulnerable adults.

2 To be found in Recruiting Safely in the Methodist Church 2010.

3 Such as the code of practice or the pocket guide.

i) Complaints procedure

It is hoped that complaints can generally be dealt with internally by the organisations. However, a complaint may be made to a person who will be appointed by the Church Council and who is currently Rev Nic Wooller. If a complaint is made to another person, it should be passed to Rev Nic Wooller who will arrange to meet with the complainant and attempt to resolve the complaint. If the complaint cannot be resolved, consideration will be given to invoking the complaints system of the Methodist Church which will involve initially speaking with the Local Complaints Officer who is Rev Nick Oborski.

j) Review

This policy will be reviewed annually by the Church Council. The date of the next review is January 2014.

k) Key concepts and definitions

- i) **Vulnerable Adults:** any adult aged 18 or over whom, by reason of mental or other disability, age, illness or other situation is permanently

or for the time being unable to take care of her or himself, or to protect her or himself from significant harm or exploitation.

- ii) **Safeguarding and protecting children or vulnerable adults** from maltreatment; preventing impairment of their health and ensuring safe and effective care.
- iii) **Adult/child protection** is a part of safeguarding and promoting welfare. This refers to the activity which is undertaken to protect children/specific adults who are suffering or are at risk of suffering significant harm, including neglect.
- iv) **Abuse and neglect** may occur in a family, in a community and in an institution. It may be perpetrated by a person or persons known to the child or vulnerable adult or by strangers; by an adult or by a child. It may be an infliction of harm or a failure to prevent harm.

Safeguarding advice for parents and carers

Cheam Methodist Church has an active parents and carers toddlers group – Cheam Tots. It is therefore important to state that we are committed to safeguarding and promoting the welfare of children and young people, and we want everyone to play their part in this.

DBS checks

Anyone left unsupervised with children who are on their own must have an Enhanced Check through the Disclosure and Barring Service (DBS – formerly the CRB) to help ensure that unsuitable people are prevented from working with children. All paid workers and volunteers at Cheam Methodist Church (CMC) left unsupervised with children have been checked through this process. If you are not DBS-checked, you must not be left unsupervised with children (other than your own) at a Cheam Methodist Church group or event.

Policy

Cheam Methodist Church has a Safeguarding Policy approved each year by the Church Council. It is shown on our website along with this advice.

What should I do if I am worried about a child attending a CMC event or group?

If you become concerned about:

- Comments made by a child
- Marks or bruising on a child
- Changes in a child's demeanour
- Something you see happening to a child at a group

please report these concerns immediately to the group leader. Your concerns will be passed on to the minister and will be taken seriously.

Cheam Methodist Church is committed to safeguarding and promoting the welfare of children and young people, and expects all staff, volunteers and parents and carers to share this commitment.
